How the Husky Hustle Supports Students

With your help this annual event has the ability to fund PTO operations for an entire year!

We count on donations from our community to help fund the Meadow Brook Elementary PTO, which allows us to enhance the learning experience for our 500 students. Meadow Brook is more than just your neighborhood school, it is also home to Forest Hills Public Schools' innovative Mandarin Chinese Immersion program. We welcome children from many backgrounds; 41 languages are spoken by Meadow Brook students! The families and staff at Meadow Brook are proud of our diverse school community and committed to ensuring that all students receive the quality education that FHPS is known for.

With your support, the PTO is able to put on high quality events throughout the year that enrich the lives of students and their families. We are also able to help each grade participate in age appropriate field trips throughout the year, and experience culturally diverse assemblies celebrating Chinese holidays.
